

Plastic, Glass and Aluminium Cans

CO-MINGLE

All day, Every day

Wanless is committed to providing co-mingle recycling services to commercial and industrial segments. A comprehensive range of services is available to meet your job or company requirement.

Co-mingle is the industry term for plastic containers, glass bottles and aluminium cans. Wanless has infrastructure in place to service co-mingle recycling requirements for your business. A large variety of rear lift wheelie bins are available for fast and convenient placement, delivered to your business. Wanless employs a fleet of vehicles ensuring your waste problems are solved, all day, every day.
